

**EMC Performing Arts Studio presents "Aladdin Jr" as our 2022 musical!** This elaborate show will feature local talent as well as a few seasoned performers from New York that will serve as mentors to our students, as they grow into their own.

More than “on-the-job-training”, this experience will include acting classes to help students learn HOW TO ACT. Dance and voice lessons will also be added to enhance the skill set of our participants, making this experience stand out from other local community theater projects.

A non-refundable Performance Fee of \$350 is required. See below for details on the full Performance Fee.

**AUDITION INFO:** The auditions were a huge success! Over 35 kiddos came out and earned a role in EMC's 2022 Musical, Aladdin Jr! While we have most of the roles cast, we are still looking for a few more budding actors, singers, dancers to round it all out.

Submit your video audition to [BrettBogardus@danceEMC.com](mailto:BrettBogardus@danceEMC.com) today. Send a short clip of your child singing any song from Aladdin and a short monologue.

Students must be 6 -19 years old to audition. Dance, theater or singing experience is helpful but not required.

**REHEARSAL INFORMATION:** Rehearsals will begin in March. We will rehearse at a slow and steady pace throughout the winter and spring and perform in July. Please do your best to attend rehearsals consistently.

The rehearsal schedule will be announced once casting is complete. This is a very complicated process and we need to consider many moving parts when scheduling rehearsals.

Save these summer dates:

Rehearsals will be held the week of July 4 for certain roles.

We understand that families have vacations in the summer, but the 2 weeks leading up to the show are most important.

Mon-Fri July 11-17: Tech Week Camp at EMC during the day

Tue, Wed, Thurs July 19-21: Tech rehearsals at the theater

Fri-Sat July 22-23: Performances

**TRIPLE THREAT TRAINING:** Additional Triple Threat Training will be offered to Aladdin performers until May 26 as a part of the Aladdin experience (with the exception of Mar 28-April 3 for Spring Break).

A positive, solution-oriented attitude is essential to making any production a success. We ask that you please bring your best team effort and spread encouragement so our performers can thrive in a creative and uplifting environment.

It's going to be an amazing show!
